# Message to Mr. Bernard & Mr. Rozmiarek

Mr. Bernard and Mr. Rozmiarek,

You are nearly rid of us! It has certainly been an eventful four years, from our first assembly as freshman to our senior prom. We would like to take this opportunity to thank you for everything you have done to support us. You are always there to see us score the winning goal, earn a standing ovation, beat Lynnfield, or hear us in a concert. We love to see you waiting to greet us outside on a below freezing February morning.

Mr. Bernard, it never ceases to amaze us that you know everyone's name, everyone's interests and everyone's grades. Your enthusiasm and dedication to us has made NRHS a positive and exciting atmosphere in which to learn.

Mr. Rozmiarek: you joined us our junior year and we could not have picked a better successor to Mr. Pesce. Your transition was seamless and we love how you embrace the arts and accommodate for many special projects.

Most importantly, we admire the way you wake up every morning knowing what you are in for and still want to come spend your day with us crazy teenagers. Now we are choosing our own paths for college and the real world. We will always hold the memories and lessons we have learned here close to us, and Hornet Pride will always be in our hearts.

*With the utmost respect and admiration,*

## Yearbook

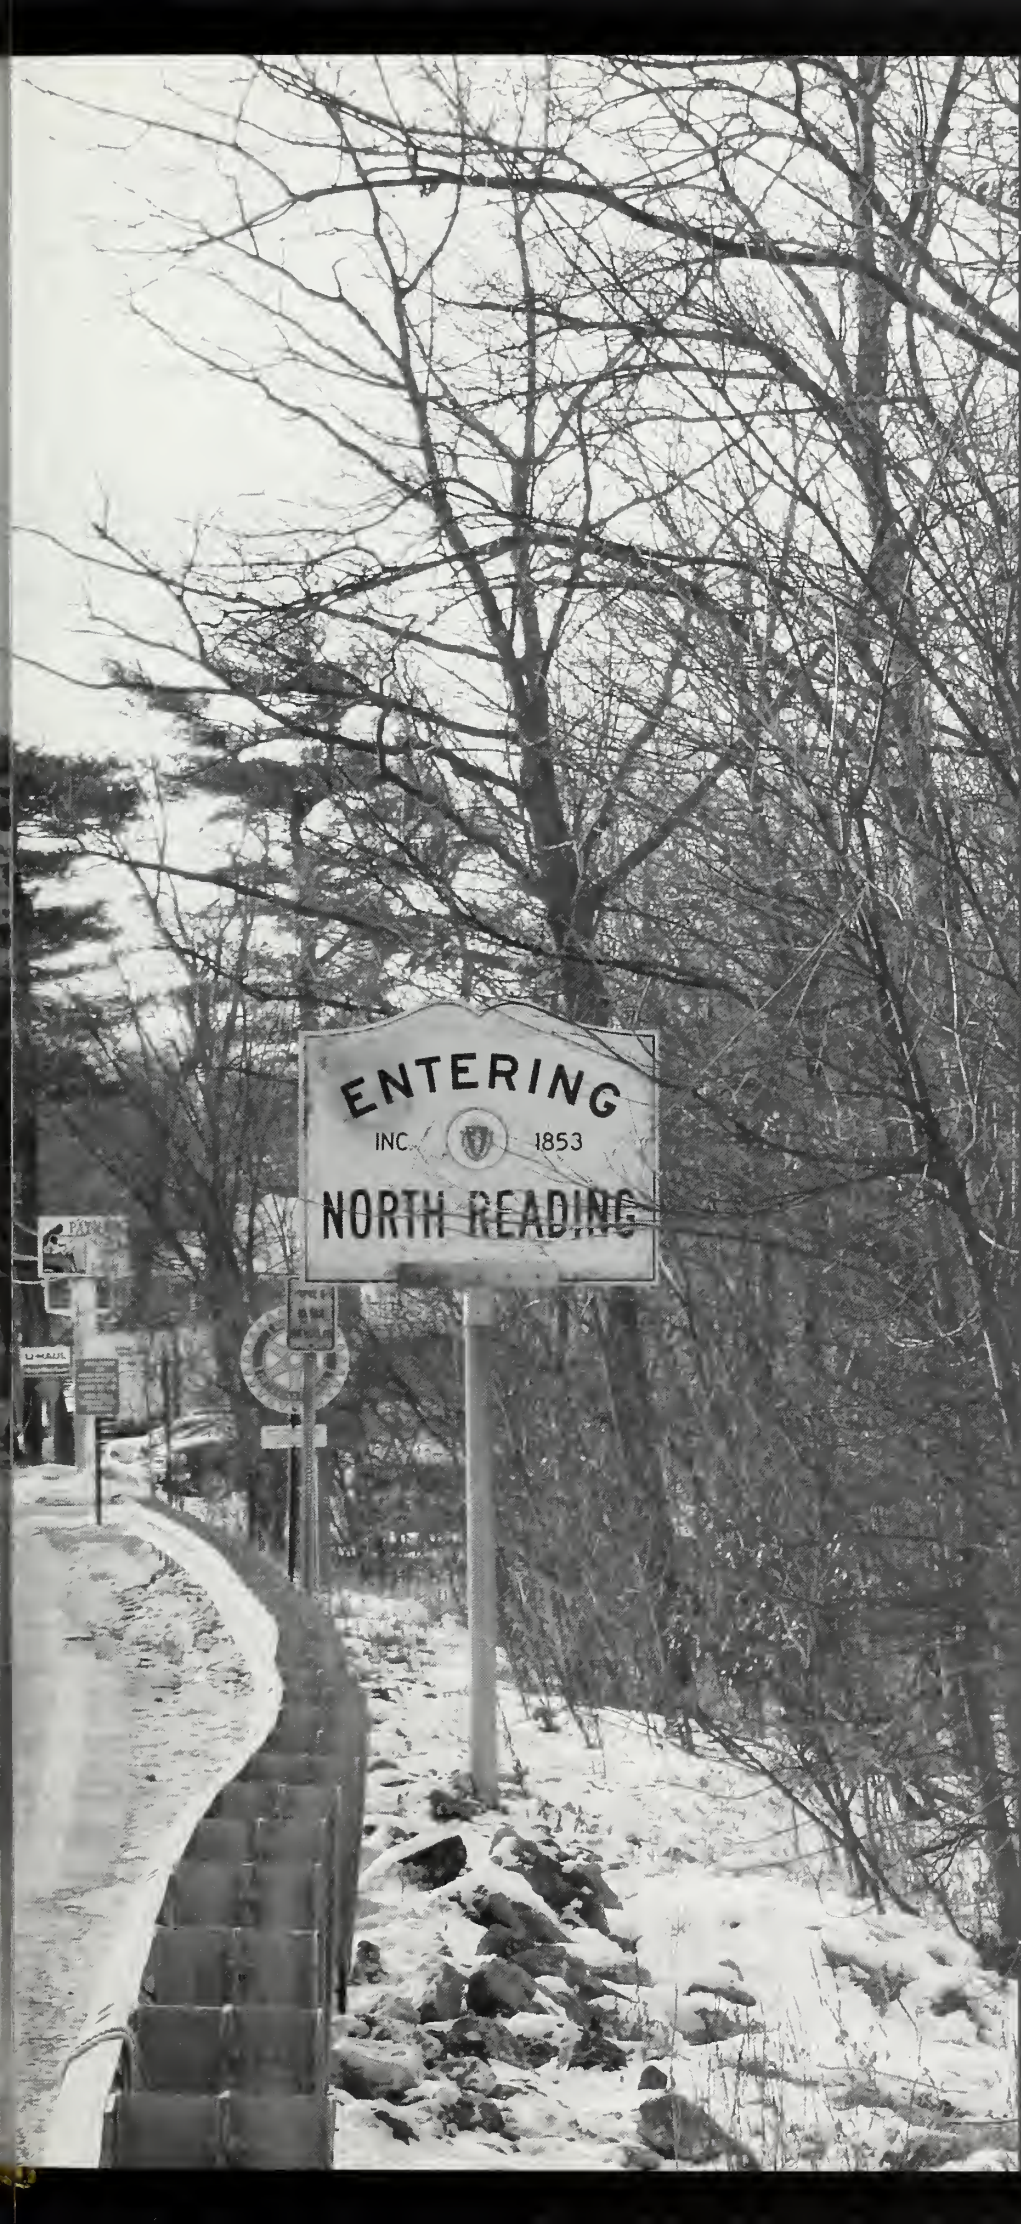

"Time has been transformed, and we have changed; it has advanced and set us in motion; it has unveiled its face, inspiring us with bewilderment and exhilaration."

-Kahlil Gibran

*Thank you to the many students who dedicated their Tuesday evenings to creating this yearbook. As always, it seemed like it would never get done, but everyone pulled together to make it happen....and we had some fun along the way!*

High School was one of the best experiences of my life, I will miss it but I'm ready to move on to greater things. It's very far away it takes about half a day to get there if we travel by dragonfly. We shared some of the greatest times of our lives, I love you. Green means go in the United States Team Thorn Masquers Band and Jazz Stage-manages 07

Most great memories are created by accident. They happen when we least expect them and for no apparent reason. So be crazy, make stupid jokes, play random games, laugh so hard you cry, you never know what will be your next great story. As long as you have good friends by your side that's all that matters. LJH,GMB,SDD,JDD,BOF. I love you girls.
